PINCHOT GIVES BALLINGER RAP

Tells Why He Was Led to Believe Secretary Made Misstatements.

Washington, D. C., March 1.—There was a surprising development today in the Ballinger-Pinchot investigation when Clifford Pinchot announced to the committee that he based his charge that secretary Ballinger had been guilty of making false statements to the president, not upon a letter from Mr. Ballinger to himself, but from a letter written by T. T. Donald, a former law partner of Mr. Ballinger, to Dr. Lyman Abbott.

Mr. Pinchot said a copy of this letter, with annotations was forwarded by Mr. Ballinger to the president. He admitted that three statements in the Donald letter which he claimed to be false had previously been covered by a letter written by Mr. Ballinger himself to the president, in which Ballinger had stated that the witness admitted was a true statement of facts.

Mr. Pinchot said he did not attempt to reconcile these two facts.

FLOODS THREATEN RAILWAY TRAFFIC
Northwest and New York State Suffering From High Water.

Seattle, Wash., March 1.—Warmer weather today over the Pacific Northwest, has renewed fears of floods because of unusually heavy snow in the Sierra Nevada. The railroads are still snow blocked. The Great Northern express train has been stalled at the summit of the Cascade mountains since Thursday.

New York, N. Y., March 1.—Floods continue in the valley of the Mohawk and upper Hudson today with rain still falling. The Hudson at Albany is only five feet below the record rise. Nearly every street of Herkimer is under water and transportation is possible only in boats.

BULLET WOUND MAY CAUSE DEATH OF JUAREZ MAN
Police Are Holding Juan Mendez Whom Chief Police Arrested Years Ago After Stabbing.

A 22 caliber rifle ball, fired from an ordinary boy's rifle at long range, is likely to have caused the death of Rosendo Mendez, now lying in the public infirmary at Juarez. The man was wounded Sunday as the result of a mysterious shooting case.

In Juarez, Mexico, held on the testimony of three witnesses, the police say they have an ancient offender. Mendez was arrested by commandant of police Jose de Leon himself some seven years ago after he had stabbed to death a former friend, according to the chief.

The man was recently released after serving his time for that offense.

The causes of the recent shooting are not known or guessed at by the police. The small ball entered the shoulder of Mendez, and striking a bone lodged in the spine. A dangerous spinal trouble already has set in, and if not death permanent injury may result.
